

## How you can support our work

Thank you for your inviting us to join you today. We hope you have enjoyed hearing about the amazing ways that our dogs make life-changing differences for people with disabilities through the power of expertly trained dogs.

If you've been inspired by what you've heard, please read on to discover some of the ways that you could get involved in our life-changing work. You can give time, donate or fundraise, or help to raise awareness so that more people hear about Dogs for Good – whatever you'd like to do, we're grateful for your support

It costs over £23,000 to train and support each assistance dog for the duration of their working life. With over 5,000 enquiries a year for our services, there are so many more people who we could help. Your support is really appreciated in whatever way you are able to give it. Thank you so much.
